In the past month we enjoyed an amazing night at the Rays game with our **community partners**; Achieva Credit Union, Countryside Mall and St Raphael Catholic Church all got to see firsthand the impact they are making on children that the Heart Gallery serves. Want to be a community partner? Reach out to us for more information.

A **BIG SHOUT OUT** to Palm Harbor Library for all the wonderful birthday cards they made for our children. These cards were filled with heartfelt messages that acknowledged not only each child's uniqueness but will leave a lasting impact on a child's life.
