

GULF COAST JFCS

Non-Custodial Parent Employment Program: 2021-22

More Than 25 Years of Positively Impacting Lives

Average starting wage for
NCPEP clients **\$13.89**—more than
23% above minimum wage.

Over 68% of NCPEP clients
not only obtain, but
maintain employment.

NCPEP Changes Lives

*"Thank you for all the support during
very challenging times.
This organization has rendered services that
has helped me [in] securing a job.
I am now able to provide my child support payments.
I am able to gain my dignity and help raise my children.
[Gulf Coast JFCS] is a second chances organization.
I now can pick up where I left off
when I was constant with payments."
- Alfie G., Former Client*

NCPEP keeps individuals with
barriers to employment out of
the criminal justice system,
further saving the state money.

1,239 non-custodial parents
paid an average of
\$6,089
in child support per child.

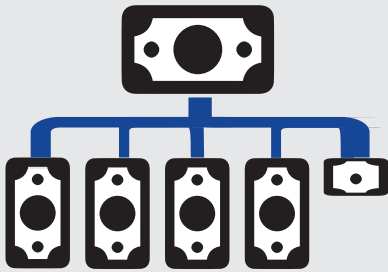

GULF COAST JFCS

Non-Custodial Parent Employment Program: 2021-22

More Than 25 Years of Proven Financial Success

For every dollar spent on NCPEP, the state receives an average of **\$4.25** back in the form of child support payments.

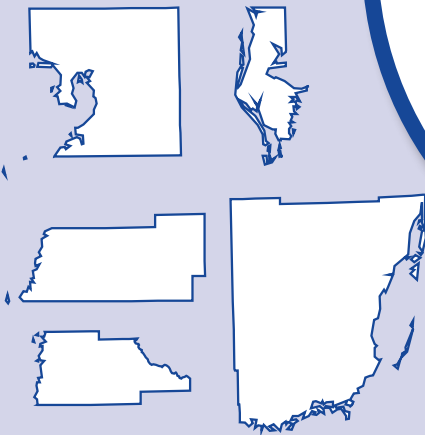

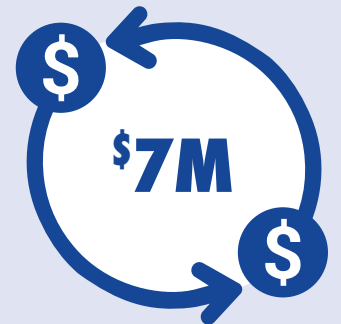

This return on investment equates to more than **\$7M** per year statewide.

NCPEP Contributes to the Economy

"There is nothing more that I want than to be able to support my children. In the past three months, I have been facing multiple challenges, financially as well as personally. This caused for my child support payments to be behind. I was under a great deal of stress and had a hard time securing a job. With job leads as well as transportation support, NCPEP has given me the opportunity to get back on track."

- Michael B., Former Client

NCPEP serves five Florida counties:
Hillsborough, Pinellas, Pasco,
Hernando and Miami-Dade.

NCPEP has been funded since **1996**.
